# EdibleForest Planting Workshop

**Saturday May 9, 2009  
9:00 a.m. – 4:00 p.m.**

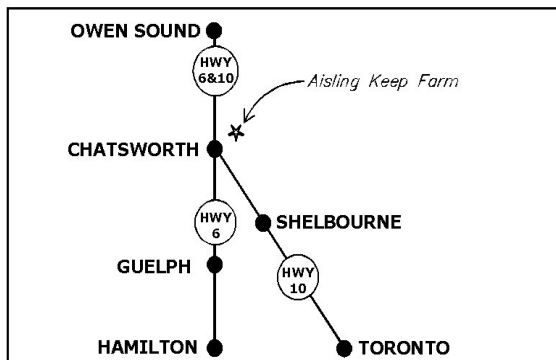

**Aisling Keep Farm  
Chatsworth, ON**

Learn how to design and plant small or large Forest Gardens in this one-day workshop, taught in the **Permaculture tradition and style.**

**Instructor Brad Peterson** will discuss site design and soil preparation techniques, and participants will learn best plant spacing, pollination and pest management practices through hands-on experience.

This event will be held rain or shine, so bring appropriate attire, as well as work gloves, boots, a shovel, and a potluck lunch to share. Drinks, snacks, plates and cutlery provided. The event starts at 9:00 a.m. sharp!

The morning and afternoon sessions will cover both theory and hands on planting techniques. A full range of plant materials will be available for identification and planting.

Cost: \$80.00

Registration: contact Stacie Constantine at (519) 599-3451 or [halibut\\_hill@yahoo.ca](mailto:halibut_hill@yahoo.ca)
